Message

I am pleased to know that National Crime Records Bureau (NCRB) is bringing out its annual publication 'Accidental Deaths & Suicides in India' for the year 2016. This report is 50th in the series and it contains detailed statistical information on various aspects of accidents and suicides that took place in India during the year.

2. I am confident that this publication will be of immense help to the policy makers, Central and State/UT Government officials and other stakeholders in gaining insight into these clinical issues and in framing the policies aimed at bringing down accidental deaths and suicides.

3. I appreciate the efforts of all the State and UTs Police Departments for furnishing the required information for this publication. I also take this opportunity to congratulate Director, NCRB and his team of officers for collecting, compiling and preparing this report.
