MESSAGE

National Crime Records Bureau's annual report, Crime in India presents a comprehensive set of statistics on various aspects of crime in the country. I am happy that the Bureau is releasing the 70th edition of the report for the calendar year 2022. The report presents an overview of crime statistics which will provide valuable insights to various stakeholders including Parliamentarians, Governments of States/Union Territories, academicians and other interested persons who are engaged in the formulation of policies, analysis, and other mitigating strategies on the subject.

2. I would like to express my gratitude to the officers of all the States and Union Territories for their sincere efforts in promptly sharing their data with NCRB, resulting in the timely publication of the report. I also appreciate Director, NCRB and his team for collecting, collating and publishing the report efficiently and well in time.
