

Methodology for Data Collection & Publication

A. Data Collection and Compilation Process

- I. The publication year refers to the calendar year i.e. 1st January to 31st December 2016.
- II. The data collection process including clarifications from States/UTs Prison Department and other concerned agencies was started in April 2017 and continued till December 2017. In addition some additional information/clarification was sought as per the new proformae (deaths in prisons, inmates admitted during the year, undertrial inmates under Section 436A of Cr.P.C., etc.). Accordingly, additional data were compiled till August 2018.

A.1 Action by States/UTs Prisons Department

- I. The annual States/UTs data for “**Prison Statistics India**” is furnished by the Prison Department of all 36 States/UTs as per the NCRB prescribed proformae in hardcopy as well as in softcopy through a software Application developed by NCRB.
- II. A training is conducted every year for the functional officials/dealing hands of all States/UTs Prison Department to explain various issues of data reporting/data quality including entry of data in input tables.
- III. The consolidation of State level data is done by Prison Department of the concerned States/UTs and the consolidated data is shared with NCRB.
- IV. First level data validation is done at the Prison(s) level during the data capturing process itself through the validation checks provided in the NCRB software. However, this is done where prison is equipped with computers and related infrastructure.
- V. Second level data validation is done at the time of consolidation by the Prison Department through the NCRB’s Application.
- VI. Variations/ deviations noticed over previous year’s data, both through Application as well as manual screening are communicated to the respective State/UT for clarification, verification and rectification.
- VII. Amendments, if any, in the rectified data are incorporated in the database by NCRB.

A. 2 Compilation at NCRB

- I. After receiving the final data from all States/UTs, all India data is generated by NCRB.
- II. The national level tables for the “Prison Statistics India” are generated through the Application software and cross checked for data discrepancies, if any.
- III. The additional tables containing information related to Prison Statistics which are not published in this report are prepared and made available on NCRB website. Details of these additional tables are given in **Para-D**.

B. New Features/Chapters in Prison Statistics India-2016

- I. For the first time, a new chapter on **Methodology** has been incorporated.
- II. The complete publication of the ‘Prison Statistics India’ 2016 has been covered in 12 chapters. Sequence of the chapters and accordingly tables and graphs have been rearranged to make the publication more presentable and informative. Some new graphs have also been incorporated.
- III. Profile of Indian Prisoners and Foreign Prisoners have been discussed in two separate chapters.
- IV. 6 year Trends (2011-2016) on various parameters related to prisons have been included in several chapters.
- V. Following the directions of the Supreme Court, the Bureau reviewed the Deaths in Prisons proforma extensively and revised it accordingly.
- VI. The list of new tables introduced in current publication is given below:

Sr. No.	Table No.	Title Name
1.	2.20	State/UT-wise Inmates admitted during the year 2016
